

# STORY EMPORIUM

*SAGAS OF SINNERS, SAINTS & SKEPTICS*

THE GATHERING 2013 / 27 - 30 SEPTEMBER  
EL RANCHO, 25 KAURI RD, WAIKANAĒ

---

Continuing the momentum of *'Refining our expression of Faith'* is the flavour of our Story Emporium at the Gathering - sagas of sinners, saints and skeptics. The hope is that by having further opportunities to *LISTEN* we are better able to empathise. We will leave Waikanae in a better space to *understand, love and care* for the people of difference and diversity in our various communities.

We're inviting straight-up storytellers from life's messy journey's. Authentically uncomfortable stories: stories about faith's fairytales and f@#k ups. The *raw, honest stories* that have impacted, influenced, challenged and brought about *change in their life*. And will challenge ours...
