

surge 2009 – April 16-19

Whangarei

“Preach the gospel at all times and when necessary use words”

- St. Frances Assissi

Are you ready for surge? I hope so because I know we are extremely excited. What a great way make a difference in a community and in the lives of the people of Whangarei. We have set up a range of projects for community groups as well as individuals that are sure to be both rewarding and gratifying not only to the people we are serving but also to ourselves. It is going to be a great way to help out and lend a hand on projects that otherwise would not be able to be achieved. The weekend will be a time of fun, fellowship, service, working, celebrating, hanging out and of course a good old OpShop Disco. What else could you want?

You will find all the information you will need below to ensure you are prepared spiritually and physically for the weekend.

ARRIVAL – 3:30pm SHARP on Thursday April 16th at Tikipunga High School (194 Corks Rd – Tikipunga Whangarei 0112 – see included map). The high school is located about 200 meters before the Whangarei Falls so follow the signs posts to the falls – the school on the left hand side. This venue will serve as the main meeting place during the surge weekend. We will be sleeping in a few different locations around Whangarei including a Marae, a local high school, and a church. We will leave promptly from Tiki High and head to Whakapara Marae where a Powhiri will take place upon arrival on Thursday night (if you are late to the high school you will miss out on the Powhiri). Please let us know if you will not be able to arrive until Friday.

DEPARTURE – 12 Noon on Sunday April 19th – Lunch will be provided before departure and can be eaten on site or taken on the road if time is an issue.
