

You have received this review form because, according to our records, you are listed as a member of the Youth for Christ NZ Mission Community. As members, we need to evaluate how we are progressing in living the purpose, goal and values that we signed up to in April 2005. Before The Gathering (beginning on 31 March) this year, we will all be making a choice:-

- A. To continue as a member of the YFC NZ Mission Community and attempt to follow the practices indicating our commitment to our purpose, goal and values.
- B. To become an associate member of the YFC NZ Mission Community (more information on this will be supplied shortly – basically, someone who agrees with the purpose, goal and values of YFC NZ but who cannot commit to the requirements of full membership).
- C. To cease being a member of the YFC NZ Mission Community (but this does not mean complete disassociation from YFC – you may want to continue as a helper).

This review asks about the way in which you think you have been functioning individually and as a member of YFC NZ as far as the purpose, goal, values and practices that we have all be trying to live by since 1 April 2005. In filling out this review, please think about your experiences and feelings as you have attempted to live as a member of the YFC NZ Mission Community individually and in your mission team(s). When “team” is mentioned, it can mean both a formal, structured team and an informal, casual team in which you have been functioning.

Please note that there are **3 sections**: **A** all members complete. **B** mission base full-time / part-time members complete. **C** all members complete.

Once you have completed your review, please find one or two other YFC NZ Members and sit with them and talk through the results of your review. Use this as a way of working out your future with the YFC NZ Mission Community. (If you need help with this contact one of the MLT)

Then, **before 10 March**, please send your completed review with a covering note indicating your plans for the future with YFC NZ to:-

YFC NZ Mission Leadership Team
P O Box 34 552
Birkenhead, Auckland 1330.

Please feel free to phone any members of the MLT at any time to talk over this.

We look forward to hearing from you.
