

Tinana

Rangatahi Maori are supported and connected to opportunities which enhance their physical wellbeing

1. Review and resurrect the For Our Kids kaupapa
2. Sports groups are encouraged and equipped to respond to rangatahi Maori in ways that support their physical engagement and values their cultural wellbeing
3. Rangatahi Maori are able to access diverse physical activities

Employment, Career & Independence

Rangatahi Māori successfully transition to further training, education and employment opportunities

1. Every rangatahi Māori is supported when they leave school to enrol in further training/education or to secure employment.
2. To have a known site where all providers can be located on it and links to supporting sites like careers website, also making hard copies available for schools like WTEC do with the tertiary directory

Housing

Rangatahi Maori and their whanau have access to affordable, safe, warm sustainable housing which is appropriately located.

1. Investigate accessible affordable loan options
2. (investment, crown/Iwi loan funding that enables a 10% deposit as opposed to current 20%)
3. Support the development of papakainga and sustainable housing in Whanganui
4. Rangatahi Maori and their whanau are supported to prepare and present themselves well when they are seeking rental accommodation

Sexual Wellbeing

Rangatahi Maori are safe in their sexuality, "Rangatahi Māori are supported to experience their sexuality and have healthy relationships in a positive and safe manner."safe sex

1. Opportunities in the sexual health theme
To increase and support programmes and education to be delivered to our youth in and out of school
To upskill parents to feel confident to talk about sexual wellness with their youth (Family Start)
To increase rangatahi knowledge and skills around consent and preventing sexual violence
Workforce development: investing in upskilling front of house staff i.e. receptionists as they are the first person rangatahi interact with when attempting to access services.
Holding a youth hui to hear youth voice on this topic
2. Opportunities in the diversity theme
· Whanau, having more support available for whanau to support their diverse rangatahi. Awareness raising so that whanau understand more about how best to support their rangatahi.
· Promoting around where to access local and national support
· Having local role models
· Workforce development: investing in upskilling front of house staff i.e. receptionists as they are the first person rangatahi interact with when attempting to access services.
· Holding a hui to hear youth voice on this topic.

Alcohol and other Drugs

Rangatahi Māori and their whānau are high on life.

1. Reconvene the AOD Reference Group & the AOD Network to identify issues and lead responses to Rangatahi Māori AOD issues
2. Collaborate on consistent messaging for AOD in Whanganui

Whakapapa Whānau

Rangatahi Maori and whanau are supported to learn about their whakapapa and enhance their knowledge and understanding of Te aranga Maori

1. Link to or create WĀNANGA for rangatahi to learn about whakapapa.
2. Link to or create storytellers and resources to ensure WHĀNAU PŪRĀKAU are alive and well.
3. Encourage and provide opportunities to entrepreneurial skills that support wealth creation.
4. Celebrate rangatahi success through the telling and celebration of WHĀNAU PŪRĀKAU
5. Link to or create opportunities to be exposed to MĀTAURANGA MĀORI & NGĀ TĀONGA TUKU IHO
6. Groups, agencies, organisations will actively seek to grow their understanding of the importance of whakapapa whanau

Connected and Participating

Rangatahi Maori feel connected and safe and participate as Rangatahi Maori

1. Review and resurrect the For Our Kids kaupapa

Learning Environment

Rangatahi Māori are supported within their learning environments to explore their Māoritanga and achieve their personal learning aspirations

1. Broader learning environment statement
2. Giving value to and connecting Rangatahi Māori to spaces that teach them away from school (Hands on, practical, engaging, life skills)

Kaupapa Whānau

Rangatahi Māori are connected to healthy adults in order to understand and build quality relationships

1. Flood our community with purakau that celebrate being Māori, drawing on old (pre-European) and new stories to break down the negative stereotypes.
2. Review and resurrect the For Our Kids kaupapa
3. Actively promote appropriate resources / programmes that support and enhance the whānau

Hinengaro

Rangatahi Māori have a voice, have access to support and have outlets for expressing themselves

1. Collective communication around healthy, positive messaging to Rangatahi Māori that supports mental wellbeing.
2. Actively participate and support strategies that support Rangatahi Māori Wellbeing.

Wairuatanga

Rangatahi Māori are safe to explore wairuatanga

1. Groups, agencies, organisations working with Rangatahi Maori actively acknowledge wairu- atanga in their connections with rangatahi Maori.
2. Where a group, agency, organisation feels unable to do so, they will seek support from others in this.
